

**Invitation – AMERICANA 2007 - International Environmental Technology Trade Show and Conference, Montreal (Québec)**

**Montreal, Quebec, March 15th 2007** – On behalf of our great team, I am pleased to invite you to meet us at AMERICANA 2007, an International Environmental Technology Trade Show and Conference, March 20-22, 2007 at the Montreal Convention Centre (Hall Viger).

We will share exciting information concerning the latest developments with our SmartSoil-Biogas systems. Our systems are known for producing a significantly greater volume of high quality gas fuel for clean energy production, and they can generate CO<sub>2</sub> credits and green tags as well.

Our dynamic and well-informed team will be on hand to discuss your specific requirements and answer any of your questions.

Tuesday, March 20th, 2007, 10:00 a.m. - 18:00 p.m.  
Wednesday, March 21st, 2007, 10:00 a.m. - 18:00 p.m.  
Thursday, March 22nd, 2007, 10:00 a.m. - 15:00 p.m.

**Montreal Convention Centre  (Hall Viger)**

Metro/Subway: Place d'Armes  
201, Av. Viger West  
Montréal, H2Z 1X7  
Phone: (514) 871-3170

**Booth number : 729**

**SmartSoil Energy Inc.** is a leading provider of clean energy technology, developed by its parent company Soconag, in the worldwide campaign towards climate protection. SmartSoil does so by providing innovative solutions for transforming "problem biomass" into clean gaseous fuel, primarily through landfill-gas-to-energy initiatives. Its patented and certified technology provides unprecedented monitoring and control capabilities. For more information, visit us at [www.smartsoil.com](http://www.smartsoil.com).
